

MODERN

Semi Frameless Sliding Shower Screen

Where Style Meets Function

The Modern Frameless Sliding Door Shower Screen is perfectly crafted for maximising your bathroom space. When floor area is limited by the proximity of vanities, toilets, and baths, this design ensures you can still enjoy a full-size shower enclosure without compromising style. This Shower Screen is available in a range of configurations including a Corner Entry Configuration, allowing for easy access in smaller, confined spaces.

Secure Closure

Full-length magnetic door seals ensure a snug fit at the entry point, preventing door rollback and enhancing water splash resistance for improved bathroom safety and functionality

Smooth Operation

Enjoy effortless use with our frameless doors, which glide smoothly on dual roller carriages equipped with stainless steel bearings, guaranteeing a premium experience every time
